

Thank you to all of our amazing volunteers for your continued support! Your time and efforts are very much appreciated. Please see our upcoming workshop dates below.

LOCATION

Currently, all tasks are handled in our workshop, at Pacific Pipe in Oakland, CA. Pacific Pipe is the big green building next to the American Steel Co. If you come to the intersection of Mandela Pkwy and 20th St, you will notice 20th St comes to a dead end. Here we have signs pointing to a large entry door. Once you enter, our workshop is located about halfway thru the building.

CONSTRUCTION

Light Construction

Sanding, painting, and putting the finishing touches on the homes with interior design (No power tools)

Heavy Construction

Sawing, cutting, nailing, putting the homes together (prior construction skills preferred)

Money Donations

- Grant Research & Writing
- Creating a crowd funding Indigogo video and campaign
- Private Donations
- T-shirt or book to thank the donors

Materials Donations

- Drivers with trucks to collect donated materials
- Soliciting materials from local businesses

Just because I pick up illegally dumped item from the street doesn't mean I can use just any old garbage. Please no particle board it is not a good material for building with and tempered glass only. Here are some things I use often. Keep your eyes out.

- o Ply Wood
- o OSB Board
- o 2x4s, 2x6s, 4x4s
- o Futon Frames
- o Bed frames
- o Solid doors
- o Any real wood of about any size
- o Glass Refrigerator shelves
- o Auto Glass
- o Hinges (any size)
- o Door locks (for doors and windows)
- o Screws (1 1/2" - 3")
- o Nails (for nail gun & framing and roofing)
- o Glue (silicon, painters caulk)
- o Paint brushes & Rollers
- o Exterior paint (semi gloss preferred)
- o Sand paper
- o Saw blades/ disc grinder blades
- o Large Casters (200+ lb. load)
- o Keyed door locks
- o Hinges
- o Tar paper
- o Glass refrigerator shelves

MEDIA

- o How To Video and Book
- o Documentation of the process
- o Social Media Updates

ADMIN.

- o Organizing and responding to emails
- o Update website
- o Volunteer coordination
- o Creating video and construction consent and release forms

CITY ISSUES

- o Researching building code & zoning issues
- o Fire and building Codes
- o Legal issues regarding the homes
